

Post	Name and Surname	Room number	Office Hours	Remarks
Bioinformatic Engineering				
Genome Information Engineering				
Professor	Hideo Matsuda	Graduate School of Information Science and Technology B524	Tuesday 12:00-13:00	Please contact by mail in advance.
Associate Professor	Shigeto Seno	Graduate School of Information Science and Technology B520	Tuesday 12:00-13:00	Available also at other hours. Please contact by mail in advance.
Metabolic Engineering				
Professor	Hiroshi Shimizu	Graduate School of Information Science and Technology B624	Friday 17:00-19:00	Please contact by mail in advance.
Associate Professor	Yoshihiro Toya	Graduate School of Information Science and Technology B615	Wednesday 11:00-15:00	Please contact by mail in advance.
Assistant Professor	Teppei Niide	Graduate School of Information Science and Technology B615	Wednesday 11:00-15:00	Please contact by mail in advance.
Bio-Inspired Networking				
Professor	Naoki Wakamiya	Graduate School of Information Science and Technology B502	Tuesday 12:00-13:00	Please contact by mail in advance. Contacts requested by email are accepted at any time. In either face-to-face or online.
Associate Professor	Masaki Ogura	Graduate School of Information Science and Technology B506	Tuesday 16:00-17:00	TF. Please contact us in advance.
Human Information Engineering				
Professor	Taro Maeda	Center for Information and Neural Networks(CiNet), 3A1	Monday 15:00-17:00	Please contact by email or telephone in advance.
Associate Professor	Masahiro Furukawa	Center for Information and Neural Networks(Cinet), 3A1	Monday 15:00-17:00	Please contact by email or telephone in advance.
Analytical Biotechnology Laboratory				
Professor	Fumio Matsuda	Graduate School of Information Science and Technology B724	Monday 9:30-12:00	Available also at other hours. Please contact by mail in advance.
Associate Professor	Nobuyuki Okahashi	Graduate School of Information Science and Technology B715	Monday 9:30-12:00	Available also at other hours. Please contact by mail in advance.
Assistant Professor	Taisuke Seike	Graduate School of Information Science and Technology B715	Monday 9:30-12:00	Available also at other hours. Please contact by mail in advance.
