Guidelines for the Procedure for Application for Scholarships for Privately-financed International Students in 2023 Academic Year (April 2023 – March 2024)

1. Overview
　There are two types of scholarships: "Scholarships on University Recommendation" and "Scholarships for Direct Application" for which international students can apply directly. For the first of these, "Scholarships on University Recommendation," candidates recommended by the university are selected among the applicants selected by each graduate school.
　In the Graduate School of Information Science and Technology, <u>international students wishing to apply for "Scholarships on University Recommendation" must undergo "Documentary screening" described below.</u> A recommendation standings table based on the results of this screening is compiled every year. From among the candidates wishing to apply for the offered scholarships, nominees are selected in order of ranking on the recommendation standings table.
　Please be sure to remember that the above screening takes place only once a year.
　In addition, international students can apply for "Scholarships for Direct Application" whether or not they undergo the above screening process.

2. Documentary Screening <u>(To be taken every year)</u>
　(1) Required Documents
　● "Application for Scholarships by Privately-financed International Students" <Attachment 1>
　● "Research Report and Plan" <Attachment 2>

　● Latest Academic transcript (copies will be accepted)
　● Copy of RESIDENCE CARD (front and back)
　　(Residence card is not necessary if applicants live outside Japan.)
　(2) Deadline and Place for Submission:
　March 10, 2023(Friday)【Strict compliance required】 / Graduate School of Information Science and Technology, Daigakuin-kakari (Graduates Section)

3. Notification of Order of Recommendations
　　Applicants will be informed of the ranking of recommendation order by e-mail.

4. How to apply for "Scholarships on University Recommendation"
　　Refer to the School of Information Science and Technology HP / Campus Life / Information for International Students / "Scholarships on University Recommendation"

5. Cautions
　(1) This recommendation standings table will also be used to select Japanese government scholarship students and applicants for JASSO Honors Scholarship.
　(2) International students must undergo "Documentary Screening" every year.

●Treatment of Students who pass the Entrance Examinations for Master/Doctor course held during 2023

Students passing the entrance examinations for Master/Doctor course during 2023 and wishing to apply for "Scholarships on University Recommendation" shall be treated as detailed below.

《Students who pass the entrance examination foradmission in October 2023》
