

2017/9/19

Notice Concerning the Campus-wide IT Authentication Platform Service Password Reset

To students of Osaka University,

As our password rules have changed, please note that an automatic password reset on the following dates will occur for those who have not yet changed their password:

Students : 2017/10/16 (Monday) 12:00

If you do not change your password, you will be unable to log in to the Campus-wide IT Authentication Platform Service. Please log in to MyHandai to change your password as soon as possible.

Please refer to the following if you have lost your password, ID, or if your password was automatically reset and you cannot log in:
