[Requirements for Completion]

Students must receive 4 credits or more, and pass a final evaluation of their doctoral thesis.

- * 1. In the case of taking Internship on Computer Science D, Academic Internship Abroad D(S), D(L),
 - one unit will be accepted and included into the residency requirement.
- 2. D1,D2 students can register Internship on Computer Science D, Academic Internship Abroad D(S), D(L) from "Fall and Winter Terms" through "Spring and Summer Terms".
 3. "M" in the classification column represents Major subjects, "G" represents Advanced Global Literacy Educational subjects, and "G·M" represents subjects with both Advanced Liberal Arts Educational and Major subjects' characteristics.

 - 4. Only Humanware Innovation Program students can register subjects from 333023 to 333028.
 5. With regard to 333014, 333015, 333016, 333017, 333018, 333019, 333022, 333023, 333025, 333026, 333027, 333028, those who have already acquired M version of those subjects in Master course can't register D version of those in Doctoral Course.
 - ex.) Those who have already acquired Humanware Fundamentals I M in the Master course can't register Humanware Fundamentals I D in the Doctoral course.
